

Paper Submission Guidelines:

- The ICAMME-2022 invites high quality unpublished research papers, technical notes and review articles in the field of Material Sciences and Mechanical Engineering. The primary goal of the conference is to discuss the latest research and its challenges, encourage academic and industry interaction to promote collaborative research activities involving scientists, engineers, professionals, researchers and students.
- Full papers describing the state of art reviews, technical developments and case studies. The papers may be within the scope of the conference.
- All paper must be formatted as per the given templates (3 to 10 pages).
- Shortlisted papers will be subjected to single blind peer review (Reviewer is aware of the identity of authors, but authors are not able to know the reviewer's identity).
- Plagiarism is a serious offence. All submitted research paper will be subjected to plagiarism check by the conference organizers. Papers with plagiarism more than 15% will be rejected.
- At least one author should register for each accepted paper and it has to be presented (oral) in the conference in online mode.
- Only registered / presented papers in the conference will be published in the peer reviewed International journals /Conference proceeding (SCOPUS Indexed).
- Decision of the conference organizers / editors of the journal will be final and binding.
